

# LAMINEX® METALINE®

## SPLASHBACKS

Laminex®  
Inspire your space

**Laminex® Metaline® Splashbacks** is an advanced aluminium-based splashback system. The clean, continuous look and contemporary range of colours is perfect for helping you create a stunning modern kitchen. Metaline Splashbacks are highly durable and stain-resistant, so they're as practical as they are appealing. A smart alternative to glass, they have a unique flame retardant system that has been independently certified by SAI Global as suitable for use behind both gas and electric cooktops. It can accommodate power points and taps and can be easily installed by a cabinetmaker, saving you time and money. Metaline is also highly versatile. It's an ideal solution wherever a high gloss – and high impact – vertical surface is required. So for a wide range of applications, it's easy to make a splash with Laminex Metaline Splashbacks.

Laminex® Metaline® Splashbacks are marketed and distributed by The Laminex Group, A division of Fletcher Building Product Limited.

The colours of the photographs depicted in the brochure are as close to the Laminex® Metaline® Splashbacks range as photographic lighting and modern printing processes allow. The Laminex Group recommends the use of mild detergents and a soft, abrasion free cloth to clean the surface. Do not use any cleaning solutions that are highly acidic or caustic as these may damage the surface and gloss finish. Please visit [www.metaline.co.nz](http://www.metaline.co.nz) for specific care and cleaning information. Please note in certain lights or from different angles wipe down marks may be visible. Laminex® Metaline® Splashbacks are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Please obtain a copy of the terms and conditions of the Laminex® Metaline® Splashbacks 7 year limited warranty from The Laminex Group or visit [www.metaline.co.nz](http://www.metaline.co.nz). This warranty is in addition to any rights that may exist under the Consumer Guarantees Act 1993 (NZ) Laminex®, Metaline®
